DIRECTIONS FROM THE AIRPORT TO R&C OFFICE

- 1) If you receive your car from the car rental complex within the Lisbon airport you have to turn right from the car hire exit. This road forks with an access road on the right up to Departures. Take the left fork into the tunnel, stay in one of the right-hand lanes and you will then come down to a roundabout. At the roundabout go all the way round and take the last exit on the right. Follow the signs for A1 Norte A8 Oeste and A12 Sul.
- 2) If you picked your car up from off-airport, chose the Departures exit by mistake or followed the "Outras Direcções" (other directions) sign you will come to a roundabout within the airport complex. Go straight over the roundabout following the road downhill with the BP garage on your right and move into the left lane as soon as possible. Wait for the left feeder traffic light under the motorway and then turn left following signs for A8 Oeste.
- 3) Either route will now bring you out at the same point. From here you will merge with traffic and keep going straight for the A1/A8.
- 4) After a short time the road will fork with the A12 going south. Move into one of the lanes for A8, located on the left side of the road.
- 5) Follow the signs for 'A8 Outros Destinos'. The road will incline to become a flyover and curve round to the left.
- 6) The road joins a large motorway (The airport is now on your left and you will see the landing light gantries on the left and right) stay on as it leads you into a tunnel. The signs will be saying Torres Vedras, Leiria, Malveira, Bombarral, Peniche, Óbidos and Caldas da Rainha.
- 7) On your right you will see the Loures Shopping centre and then you arrive to the first set of tolls. Use any lane other than Via Verde, press the button and collect a ticket.
- 8) Once on the A8 you stay on this road for about 50mins, until km 81, exit 18. (Remember that halfway by the 57 km you will have to pay the toll at "Portagem" square)
- 9) At exit 18 take the right lane into a roundabout (with a Lion's Club Monument) leave it on the first exit direction Caldas Centro (centre of the city). Then you go straight over two more roundabouts and at the third, with a Queen Monument, take the first exit. Now you have the city garden on you left! Go ahead and turn left on the first opportunity.
